About us

Raxio Group is a platform investing in and building state-of-the-art Tier III data centers across Africa. Through its investments and hands-on approach, Raxio seeks to address the latent demand for critical data center infrastructure that will drive digital transformation across the region. Raxio made its first investments in Uganda and Ethiopia by establishing and developing state-of-the-art “metro-edge” facilities on the outskirts of Kampala and Addis Ababa. More recently, Raxio has entered the DRC, Côte d’Ivoire, Mozambique, and Tanzania, where it will be building similar facilities with further investments planned across Africa. Raxio currently counts on about 75 professionals across different offices in Amsterdam, Dubai, Nairobi, Kampala, Addis, Maputo, Abidjan, and Kinshasa.
