## General Manager

[Apply Now](#)

Company: PRI

Location: Pemba

Category: other-general

### Overview

We are hiring!

Our client in Pemba is looking for a General Manager to join their team. The ideal candidate will have a deep understanding of the Management and Construction Sectors and a proven track record in the relevant field.

To apply or for more information follow the link below.

### Responsibilities

Oversee and direct construction projects from conception to completion.

Review the project in-depth to schedule deliverables and estimate costs.

Oversee all onsite and offsite constructions to monitor compliance with building and safety regulations.

Coordinate and direct construction workers and subcontractors.

Select tools, materials and equipment and track inventory.

### Requirements

Proven working experience in construction management.

Advanced knowledge of construction management processes, means and methods.

Expert knowledge of building products, construction details and relevant rules, regulations and quality standards.

Familiarity with construction management software packages.

Excellent time and project management skills.
