Integrated Health Advisor, Nampula, Mozambique

[Apply Now](#)

Company: FHI 360

Location: Nampula

Category: other-general

Description

The Integrated Health Advisor will provide technical oversight of integrated health service delivery and technical assistance (TA) activities for maternal, newborn, child health (MNCH), immunization and nutrition. The Integrated Health Advisor will report directly to the Chief of Party (COP) and work in tandem with other technical and operational staff to support efficient and effective project implementation in Nampula Province. This position will take a leadership role in ensuring the Activity meets stated integrated health service delivery goals, quality standards, and reporting requirements. Integrated Health Advisor will also coordinate among USAID, donors, other health implementing partners (IPs), and numerous Government of the Republic of Mozambique (GRM) institutions and representatives, at the district, provincial and national level, for integrated health service delivery activities. The proposed candidate must fulfill the position requirements detailed below.

Job Summary/Responsibilities:

Provide management and technical leadership on integrated health service delivery and ensure quality of maternal newborn and child health (MNCH), nutrition and immunization services in collaboration with project senior leadership.

Provide supervisory and operational oversight of provincial project team to ensure that the project meets intended service delivery goals, quality standards, and reporting requirements.

Actively ensure alignment across the project's clinical and community health systems approaches to ensure the project delivers a comprehensive and coordinated package of technical support.

Coordinate effective engagement and communication between project technical leads and teams and provincial implementation teams, and coordination and collaboration with partners and other stakeholders.

Contribute to the development and implementation of the project technical strategies, and coordinate development of Province-level annual work planning and quarterly and monthly action planning, and quarterly and annual reporting.

Support the COP to ensure that all areas of the project are integrated and maximize the use of available project resources.

Represent the project in key national forums and help maintain strong relationships with USAID, GRM at all levels, project partners, and other stakeholders.

Establish and maintain strategic relationships with host country central and district local government structures and other implementing partners across levels to reach a common understanding of the activity, avoid duplication, strengthen, and supplement USAID/Mozambique programs.

Must be a Mozambican national.

Qualifications:

Master's degree or its international equivalent in a relevant field such as medicine, public health, business administration, or social sciences. Clinical background with public health training is strongly preferred.

At least 12 years of experience in managing and/or implementing integrated health service delivery or technical assistance programming addressing MNCH, nutrition, and immunization in a similar context, with at least eight of those years working in Mozambique as a senior advisor or staff member.

Experience and expertise in evidence-based health system strengthening, facility- and community-based MNCH, nutrition, and/or immunization service delivery approaches.

Ability to interact effectively and collaboratively with a broad range of public and private sector counterparts, donors, and other key stakeholders.

Experience leading moderate to large size teams of health professionals and supervising technical staff in the implementation of integrated health programming.

Excellent interpersonal, and English language writing, and oral presentation skills.

Experience working with a USG-funded health program is desired.

FHI 360 offers a competitive compensation package and is an equal opportunity employer.

Kindly note that only shortlisted candidates will be contacted.

This job posting summarizes the main duties of the job. It neither prescribes nor restricts the exact tasks that may be assigned to carry out these duties. This document should not be construed in any way to represent a contract of employment. Management reserves the right to review and revise this document at any time.

FHI 360 is an equal opportunity and affirmative action employer whereby we do not engage in practices that discriminate against any person employed or seeking employment based on race, color, religion, sex, sexual orientation, gender identity, national or ethnic origin, age, marital status, physical or mental disability, protected Veteran status, or any other characteristic protected under applicable law.

Our values and commitments to safeguarding: FHI 360 is committed to preventing any type of abuse, exploitation and harassment in our work environments and programs, including sexual abuse, exploitation and harassment. FHI 360 takes steps to safeguard the welfare of everyone who engages with our organization and programs and requires that all personnel, including staff members and volunteers, share this commitment and sign our code of conduct. All offers of employment will be subject to appropriate screening checks, including reference, criminal record and terrorism finance checks. FHI 360 also participates in the Inter-Agency Misconduct Disclosure Scheme (MDS), facilitated by the Steering Committee for Humanitarian Response. In line with the MDS, we will request information from job applicants' previous employers about any substantiated findings of sexual abuse, exploitation and/or harassment during the applicant's tenure with previous employers. By applying, job applicants confirm their understanding of these recruitment procedures and consent to these screening checks.

FHI 360 will consider for employment all qualified applicants, including those with criminal

histories, in a manner consistent with the requirements of applicable state and local laws.

FHI 360 will never ask you for your career site username or password, and we will never request money, goods or services during the application, recruitment or employment process. If you have questions or concerns about correspondence from us, please email <

FHI 360 fosters the strength and health of its workforce through a competitive benefits package, professional development and policies and programs that support a healthy work/life balance. Join our global workforce to make a positive difference for others — and yourself.
