## Pricing Analyst

[Apply Now](#)

Company: PRI

Location: Maputo

Category: other-general

### Overview

We are hiring!

Our client in Maputo is looking for a Pricing Analyst to join their team. The ideal candidate will have a deep understanding of the Pricing/Financial Sector and a proven track record in the relevant field.

To apply or for more information follow the link below.

### Responsibilities

Assessing data from a variety of sources to gain insights into pricing strategies and market trends.

Analyzing competitor pricing and market trends to increase market share and profitability.

Tracking customer engagement to develop effective pricing strategies for products and offerings.

Applying statistical modeling methods to determine the potential impact of pricing strategies on profitability.

Recommending pricing strategies that align closely with market trends and identifying new market segments.

### Requirements

A bachelor's degree in mathematics, statistics, finance, economics, or in a related field. A master's degree in business administration will be advantageous.

A minimum of five years' experience as a pricing analyst in a similar industry.

In-depth knowledge of statistical methods and data analysis.

Extensive experience in analyzing pricing strategies and forecasting revenue and market share.

Experience in collaborating on pricing strategies with sales and marketing departments.
