

## Product Support Controller

[Apply Now](#)

Company: PRI

Location: Maputo

Category: other-general

### Overview

We are hiring!

Our client in Maputo is looking for a Product Support Controller to join their team. The ideal candidate will have a deep understanding of the Product Support Sector and a proven track record in the relevant field.

To apply or for more information follow the link below.

### Responsibilities

Overseeing financial control and reporting for product lines and portfolios.

Analyzing and monitoring product financial performance and profitability.

Ensuring timely and accurate calculation, verification, and reporting of daily P&L and analytics.

Assessing and mitigating financial risks related to product operations.

Managing product cost accounting and pricing strategies.

### Requirements

Possess a degree in Finance, Economics, or similar areas.

Have prior experience in a similar role within an investment bank.

Understand financial products and markets such as Bonds, FX, Interest Rates, Credit, and Equity.

Possess excellent interpersonal and communication skills, with the ability to build relationships with stakeholders.

Result oriented, and organized, can prioritize effectively, and multi-task to deliver results in a fast-paced work environment.
