Company: Tetra Tech

Location: Mozambique

Category: other-general

Project Summary:

MSI implements USAID's Mozambique Monitoring, Evaluation and Learning (MozMEL) Activity. MozMEL is a five-year initiative to support the USAID Mission in Mozambique with rigorous monitoring, evaluation, learning, training, logistical support, and other related tasks. USAID's Bureau for Humanitarian Assistance (BHA) has engaged MSI to conduct third-party monitoring (TPM) that will monitor, verify, and evaluate BHA-funded activities in Mozambique.

****Please note: All citizenships are eligible for this position.****

Position Summary:

The Warehouse and Logistics Specialist will support TPM across multiple BHA-funded activities in Mozambique. The Specialist will work closely with MSI's Third-Party Monitoring (TPM) team and the TPM Lead to provide regular support and guidance in warehouse and logistics related areas of TPM design, tool development, training, data collection, data analysis, data management, research and reporting responsibilities for MozMEL. Specifically, the Specialist will develop relevant tools, conduct training, and conduct data collection (including observations) at the warehouse level or at other relevant locations in the supply chain. The Specialist will also have additional tasks as agreed upon with the MozMEL Chief of Party (COP).

Responsibilities:

Provide surge support to the Warehouse and Logistics TPM team, to include inputs into reporting with summary statistics, brief description write-ups, and identification of

recommendations for USAID using existing TPM templates and monitoring data.

Contribute to the development of data collection instruments in consultation with the MozMEL team including the data collection team.

Join the data collection efforts including conducting interviews, direct observations, and document reviews.

Support TPM report development, especially sections related to their subject matter expertise.

Qualifications:

Bachelor's degree is required.

Minimum two years of experience working in Cabo Delgado is required.

Minimum five years of experience in warehouse and supply chain management.

Experience conducting trainings and interviews in addition to collecting data is required.

Experience working on USAID or other international donor-funded nutrition activities is required.

Strong analytical, written, and verbal skills is required.

Oral and written fluency in Portuguese is required. Working knowledge of English and oral fluency in some of the Cabo Delgado local languages is preferred.

Deadline for applying for this position - October 10, 2023, 18:00 Mozambican time
